

# Sims Good News Letter

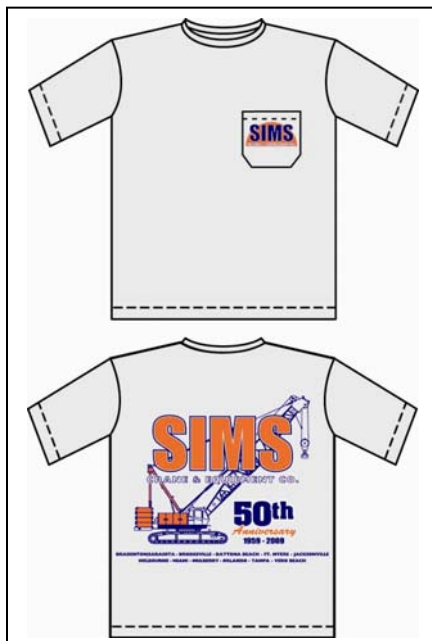

January 2009

**SAUER** Incorporated – Lee A. Pryor, Project Safety and Health Officer - USSOCOM project; 11/18/08 writes to Sims to recognize Walt Mayhall, one of our crane operators working at the United State Special Operations Command headquarters at MacDill AFB.

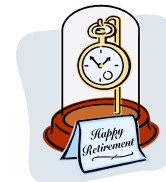

“Walt has exhibited an outstanding attitude for Safety bringing his experience and skill for all to benefit being around him on a daily basis. From his first day he has been a very crucial part in Safety of a very hazardous activity and is well respected by everyone who has the opportunity to work with him. I am confident that with Walt being here for the project everyone will benefit from his great Safety Attitude”
